Beskrivelse

Super nice sales trailer with all equipment, incl. sink with tank and large sales hatch.

The trailer is a light trailer. This means that it is very flexible and easy to move around with, with a strong nose wheel and can be hitched to a regular passenger car.

The trailer is spacious and has hygienic, smooth surfaces that are easy to clean, furthermore the floors are

an integrated part of the construction and without organic material, so it cannot bulge due to moisture or water on the floor.

The trailer has LED lights inside.

A nice trailer with great value for your money.

We can always deliver spare parts for our trailers from our warehouse in Fredericia.
