Beskrivelse

This trailer contains 2 toilets in each of their own separate rooms. The toilets have grinders and are the ideal solution for those who have access to a sewage system and water. This way you don't have to empty the toilets. The trailer can be mounted on a standard trailer hitch and is mobile to move around with. The trailer is spacious and has smooth surfaces that make cleaning easy and hygienic. Each toilet also has a radiator so the trailer can be used all year round.
